

LinguaFolio Training Modules

A project funded by NC DPI
In collaboration with NCSSFL

Module 4

LinguaFolio-like Activities Sample Checklists

In the following examples, topics could be repeated and the checklists revised to meet different language learning proficiency levels.

MEALS

1. I can name the 3 meals of the day.
2. I can answer questions about food preferences.
3. I can sort a list of 10 foods by category such as breakfast, lunch, or dinner.
4. I can create a healthy menu and write a shopping list for a family dinner.

LATIN – FOOD

1. I can identify 3 daily Roman meals.
2. I can describe the staple foods of the Roman diet.
3. I can paraphrase the myth associated with the major staple Mediterranean foods.
4. I can write a four-sentence description of a Roman meal.
5. I can answer questions about literature involving dining experiences.

WEATHER

1. I can appropriately use 5 weather-related idioms.
2. I can write a script for a two-minute weather forecast.
3. I can compare descriptions of weather and climate in 2 cities or regions.
4. I can follow emergency weather directions for a hurricane.

WEATHER – TEMPERATURE

1. I can identify 5 weather conditions.
2. I can list 2 typical weather conditions per season.
3. I can answer questions about today's weather.
4. I can write a four-sentence description about the weather during my last vacation.
5. I can role-play a TV weather reporter (1 minute).

SPORTS/MEALS/DAILY ACTIVITIES

1. I can identify 5 daily activities for leading a healthier lifestyle.
2. I can list 10 recommended foods for successful weight loss.
3. I can answer questions related to the sports in which I am involved.
4. I can write an advertisement for a healthy diet.
