Module 3: Activity 5

Self-assessment

In the spirit of learner self-assessment – a strong goal of LinguaFolio – please take a few minutes to reflect on what you’ve learned in this training module. If you have difficulty with any part, you can go back to that particular section of this module and review the main points.

Please write a response to the following questions:

1. How does LinguaFolio develop reflective and autonomous language learners?
2. Which tools and strategies can you use to create a reflective learning community in your classroom?
3. How can you modify your teaching to foster reflective and autonomous learning?
4. How can reflective teaching and learning impact your teaching and student learning?
