Module 4: Activity 7

Self-assessment

In the spirit of learner self-assessment – a primary goal of LinguaFolio – please take a few minutes to reflect on what you’ve learned in this training module. Once you have completed this activity, you have successfully completed the training for Module 4. If you have difficulty with any part, you can go back to that particular section of this module and review the main points.

Please write a response to the following questions.

1. Identify four LinguaFolio-like activities that you already use in your instruction
2. Describe the benefits of using LinguaFolio-like activities in your daily instruction
3. Explain the key criteria for embedding LinguaFolio-like activities into daily instruction.
4. Describe three ways you plan to build awareness of formative self-assessment and ownership of learning.
