Module 5: Activity 2

How can teachers guide learners?

Reflect on strategies that you already use or would like to use in formal instruction as well as outside the classroom. Write your responses to the questions below.

1. What attitude should a teacher model to promote interculturality? List at least three specific classroom examples.

2. What strategies promote interculturality and how can you embed them in your daily instruction?

3. Describe at least three opportunities you provide students that will allow them to interact with others or authentic cultural products and develop intercultural skills.

4. How can language learners document interculturality?
