Module 7: Activity 1

Setting Goals

Use this sheet to document the goals and activities that you create for a particular theme or topic for a given instructional period.

Lesson Topic: Language Program or Grade Level:

As you set goals for this lesson, consider the following questions. What do you want your students to be able to do at the end of this particular lesson? How will learners know whether they have met those goals? How will you know whether the learners have met those goals?

1. List at least three goals for a specific day’s lesson. What do you want your students to be able to do at the end of that class period?
   
   The students will be able to:
   
   a. 
   b. 
   c. 

2. Create an activity or activities for students to practice. Describe the activity or activities below:

3. List some can do statements that students can use as a checklist at the end of the activities to measure their progress in meeting the stated goals.

4. Describe how you will know if students have met the stated goals.

5. How will you guide individual students in setting their own goals to improve?
