“MORE Learning is training educators to help their learners reach higher levels of proficiency and meet program goals for biliteracy.”
- Dawn Samples, Director for Professional Learning, Avant Assessment
Language & culture go hand in hand

On our Language & Culture tours, your students can use a new language to order churros, chat with locals, or bargain at the market. You’ll see them form a deeper connection to the words they’re speaking and the people they’re speaking them to. After all, to learn a new language, it helps to fall in love with where it’s from.
